GROWERS' BREAKFAST

Educate. Engage. Empower.

Polk County Farm Bureau hosts a **FREE** bi-monthly Growers' Breakfast. The educational event targets community members who have an interest in agriculture.

It's a breakfast full of conversations, relationships and outreach—the ingredients to cultivate a future with a better understanding of food and agriculture.

As Polk County continues to grow and agriculture diversifies; county leaders wanted to find a way to engage new residents, support established producers, and provide educational information to all participants to be successful in small-scale agriculture.

Some event topics include:

- Small gardens
- Pest and weed control
- Fruit production
- Marketing

2023 TOPIC SCHEDULE

- Jan. 27: Fruit Tree Selection for Polk County
- March 31: Preserving the Harvest
- May 26: County Farm Tour
- July 28: Rainwater Harvesting
- Sept. 29: Insect Control
- Nov. 16: Understanding Food Labels

Breakfast starts at 8:00

First time attending? Please RSVP to Matthew March at 936-327-6828 or AshmoreGary@gmail.com

Meeting Location: Polk County Farm Bureau Office /
900 Hwy 59 Loop N, Livingston, Texas
